Directory of Open Access Books

DOAB is a community-driven search service that indexes and makes accessible scholarly, peer-reviewed open access books and helps users find trusted open access book publishers. All DOAB services are free of charge and all data is freely available.

Open Textbook Library

As textbooks become more expensive, the free textbooks in the Open Textbook Library are a good alternative. All textbooks in the collection are freely available, and many may also be used to create your own teaching resources (CC-BY-SA).
