euro|topics

euro|topics provides information on more than 500 print and online media from 30 countries as well as detailed descriptions of the media landscapes in Europe. Since 2005, a press review on politics, business, society or culture has appeared on the website from Monday to Friday in German, English, French, Russian and Turkish. For the press review, the Europe-wide network of correspondents sifts through more than 500 newspapers, magazines and blogs from the countries of the European Union, Switzerland, Russia, Turkey and Ukraine. Excerpts from commentaries, essays and reflections as well as relevant quotations are selected and translated, in part also from media offerings subject to licensing, with the link to the quoted original text being passed on.
